

# Unrestricted Grants

**Kiwanis Unrestricted Grants** are awarded for projects serving the needs of children of all ages in Haywood County. Typically, they support projects in the schools for which funds are not otherwise available. These grants are funded by our fund-raising projects. Unrestricted Grants can range up to \$3000.00 Applications are a one-page project summary plus a short budget. The Grants committee reviews the applications and recommends awards to the Board for their approval.
